## MIRAMICHI SKI CLUB

On Saturday, April 8, the Miramichi Cross Country Ski Club will hold its annual general meeting and dance at the Nordin Recreation Centre.

The evening will begin at 7 p.m. with a meet and greet social hour. There will be pot luck hors d'oeuvres provided by the members.

At 8 p.m. there will be a short meeting followed by presentations of various awards.

At 9 p.m. there will be dancing to recorded music until

closing. This event is open to all members and guests so be sure to attend this last fun get together of the year.

Due to the fact the ski club will be relocating for the 1989-90 season, all members are urged to attend this meeting as the new location for the club will be decided.

This will be a very important decision which will affect the future of the club and should be made by as many members as possible.

The skiing over the Easter weekend was very good with quite a few skiers enjoying the

mild weather and good trails. This is a good time of the year to ski, especially in the morning and late afternoon when the tracks are firm.

Hopefully, our trails will hold up for another week or so yet. The club will continue to groom and trackset the trails as long as the snow conditions permit.

As of Monday, March 27, the clubhouse will only be open on the weekends. The trails however, will be open for skiing as usual.
