Mr. Terry Doyle
Councillor
Village of Nelson Miramichi
New Brunswick
EOC 1TO

Dear Terry:

This is to confirm our discussion related to the construction by the village of cross country ski trails on lands owned by Miramichi Pulp & Paper Inc. at Nelson-Miramichi.

The company is pleased to confirm that it has no objection to the construction of these ski trails by the village and their subsequent annual use over the next twenty-five (25) years.

Should the company at sometime in future require use of all or part of such lands, the company will give adequate advance notice.

It is understood that the land will be managed and harvested from a forestry point of view in a manner consistent with the use of the trails for cross country purposes. We will assure nothing detrimental will be done by the company to harm the future potential of the cross country ski club.

We wish you every success in developing this unique recreational opportunity for the people of the region.
