Dear Sir:

At the November meeting of the Miramichi Cross Country Ski Club executive meeting, two concerns were discussed:

- 1) the need for a street light at the Douglastown Clubhouse on Park Road, and
- 2) the plowing of the parking lot at the entrance to Park Road.

We would appreciate your Council taking the necessary action to look into the possibility of arranging for these two concerns to be resolved.

Please advise the club in writing at your earliest convenience of your decision regarding these matters.

Thanking you in advance, I remain,

Mr. George Haines
District Highway Engineer
Department of Transportation
P.O. Box 248
Chatham, N.B.

Dear Mr. Haines:

At the January meeting of the Miramichi Cross Country Ski Club executive, concern was expressed for the safety of skiers crossing McKinnon Road.

Although skiers use the Ski Club at their own risk and must stop before crossing the road, we feel that further action is necessary to ensure their safety.

As per our phone conversation of January 13th, 1986, we would appreciate it if your Department would arrange to have road signs placed at each end of McKinnon Road, warning motorists of the possibility of skiers crossing.

Thanking you in advance for your concern, I remain,

Yours truly,

D. Johnston
