

## MCCS NEWSLETTER

Hello Skiers! Welcome to winter brrrr!

I'm Dave Tweedie and I'll be dashing off a Newsletter from time to time, now that winter is approaching and all are awaiting that fluffy white stuff.

Industrious members have been at it all summer, with a booth at the "Ex" which some of you may have seen. Tickets are selling again for a ski outfit, if you've missed them at the "Ex" you can pick some up on Registration night. There may be a new clubhouse in the works, vandals having burned the rifle range hut. If no clubhouse is available alternate meeting spots are being arranged.

Do you want to help out on a tour? at a supper? hammer nails? do you know a favourite trail? ski games for kids? any old thing? I've attached a list of Chairmen/Co-ordinators who all can use help. Just call one up and see!
