Secretary,
Miramichi Cross Country Ski Club,

Dear Ms. McCordle:

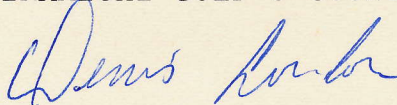

Your request on behalf of the Miramichi Cross Country Ski Club for the use of the Golf Club grounds and Clubhouse has been considered at a recent meeting of the Miramichi Golf and Country Club and I have been authorized to advise you that the Club has considered in a favourable light your application to use the Club grounds provided that you be guided by the same terms and conditions with respect to snowfall coverage of the greens and fairways as existed in the past.

However, as you are no doubt aware, we have had considerable difficulty in the past playing season with our Club Custodians, who have recently resigned and we are now in the process of attempting to retain a replacement. Under the circumstances, we have been forced to close down the Club rooms and winterize the building until such time as new Custodians are hired. We are therefore unable to consider your request for use by your Club of the Clubhouse facilities, for this year.

I might add that during the 1978 playing season a motion had been passed increasing the basic rent of Club room facilities substantially more than the \$50.00 which you paid last year.

Yours very truly,

MIRAMICHI GOLF & COUNTRY CLUB

T. Denis Lordon,
Secretary.
