

## MIRAMICHI CROSS COUNTRY SKIING

### TRAILS REPORT

Trails that we hope to have well groomed and well marked this year are:

1.  $\frac{1}{2}$  KM. loop by the club. ( FLAT)
2. 2 KM. loop back to McKinnon Road along McKinnon Road and back to club. (INTERMEDIATE)  
( REASONABLY HILLY)
3. 5 KM. loop that crosses McKinnon Road.
4. 10 KM. loop that also crosses McKinnon Road.
5. Scenic route to French Fort Cove.

The club has purchased a used snow crawler ( J 5 Bombadier) and a double track setter. All main trails will have a double track set.

There is a strong possibility that a 12 ft. diameter tunnel will be constructed under McKinnon Road so that we can avoid crossing the traffic, gravel and salt on McKinnon Road.

#### NEW:

This year we will have 1 clearly marked 10 KM. and 1 clearly marked 30 KM. loop for the Miramichi Loppett on March 8, 87 .

ENJOY A FULL SEASON OF GREAT SKIING! .
